

ORDER NO. 17 380

ENTERED OCT 03 2017

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1354

In the Matter of

QWEST CORPORATION,

Petition for Approval of Price Plan Pursuant
to ORS 759.255.

ORDER

DISPOSITION: ORDER NO. 14-346 AMENDED

In Order No. 14-346, the Commission adopted a three-year Price Plan for Qwest Corporation, dba CenturyLink QC. As part of that plan, CenturyLink QC was given the option to extend the plan for a fourth year—on the condition that if the company elected to extend the plan it would be required to petition the Commission for a new form of regulation no later than the end of the third year of the Price Plan.¹

Last year, on September 27, 2016, CenturyLink QC filed notice of its intent to extend the price plan to a fourth year. That notice triggered the requirement of CenturyLink QC to petition the Commission by October 2, 2017, for a new form of regulation.

On September 14, 2017, Century Link QC filed a request for extension of time to petition the Commission for a new form of regulation. Needing additional time to prepare the petition, CenturyLink requests a three-week extension of time to October 23, 2017. CenturyLink QC indicates that Staff does not oppose the extension of time.

ORDER

I find that good cause exists to grant the motion and amend Order No. 14-346. Qwest Corporation, dba CenturyLink QC, is ordered to file petition for a new form of regulation by October 23, 2017.

Made, entered, and effective OCT 03 2017.
