**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1916

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,2018 Renewable Portfolio Standard
Implementation Plan.

ORDER

DISPOSITION: WAIVER GRANTED; SCHEDULE ADOPTED

On February 6, 2018, Commission Staff filed a stipulated motion to adopt a procedural schedule in this docket. The motion requests a waiver of the time set by OAR 860-083-0400(8)(a), which provides that Staff and other interested persons may file written comments on a renewable portfolio implementation plan within 45 calendar days of the filing. The rule further provides that the company may file a response within 30 days to any comments.

Staff states that good cause exists to grant the motion in order to allow additional time for discovery. Staff adds that no other party objects to the motion and all agree to the following schedule:

Event	Date
Staff and Intervenor Comments	March 5, 2018
PGE Response Comments	April 5, 2018
Public Meeting Memo	May 3, 2018
Public Meeting	May 22, 2018

At our February 15, 2018 Special Public Meeting, we found that good cause exists to grant the waiver and adopted the proposed schedule.

ORDER

IT IS ORDERED that:

1. The waiver of time set by OAR 860-083-0400(8)(a) is granted; and
2. The above schedule is adopted.

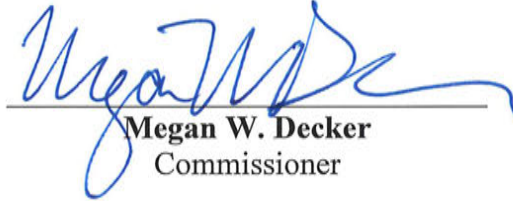

Made, entered, and effective FEB 15 2018.
