

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 352

In the Matter of

PACIFICORP, dba PACIFIC POWER,

2019 Renewable Adjustment Clause.

MODIFIED PROTECTIVE ORDER

DISPOSITION: MOTION FOR MODIFIED PROTECTIVE ORDER GRANTED

On February 14, 2019, PacifiCorp, dba Pacific Power, filed a motion for a Modified Protective Order to provide additional protections for information that has been requested in discovery in this proceeding.

PacifiCorp's motion includes the elements required by OAR 860-001-0080(3)(a)(A)-(E). PacifiCorp explains that it has received data requests from the Oregon Citizens' Utility Board (CUB) requesting copies of invoices and contracts that have been signed with General Electric International, Inc. (GE) and Vestas American Wind Technology, Inc. (Vestas). PacifiCorp states the information contained in these documents is not only confidential for PacifiCorp, but is also third-party proprietary information to GE and Vestas. PacifiCorp states this information is trade secret information because public disclosure would place PacifiCorp, GE, and Vestas at a commercial disadvantage when negotiating future equipment purchases.

PacifiCorp's requested Modified Protective Order provides that the highly protected information will only be shared with Commission Staff, CUB, and intervenors' attorneys. PacifiCorp states this will limit the risk of an inadvertent breach of confidentiality. A party may seek to qualify other individuals by completing Appendix C of the modified protective order.

PacifiCorp's requested Modified Protective Order also requires that highly protected information be labeled as such and printed on green paper, or placed in a "Highly Protected" folder in Huddle.

I conclude that PacifiCorp has established a legal basis for additional protection under OAR 860-001-0080(3)(a) and issue the attached Modified Protective Order to govern access to information that requires additional protection beyond that of the general protective order and is designated as "Highly Protected Information". General Protective Order No. 18-490 will continue to govern access to "Protected Information."

As provided in OAR 860-001-0080(3)(B), I have adopted the Modified Protective Order on an expedited basis to help facilitate discovery which is on-going. Any party may seek reconsideration of this decision by following the process outlined in OAR 860-001-0080(1) and OAR 860-001-0720.

Made, entered, and effective on Feb 21, 2019.

APPENDIX A

MODIFIED PROTECTIVE ORDER

MODIFIED PROTECTIVE ORDER

UE 352

Scope of this Order:

1. This order supplements General Protective Order No. 18-490 and governs the acquisition and use of “Highly Protected Information” produced or used by any party to docket UE 352.

Designation of Protected Information and “Highly Protected Information”:

2. Any party may designate as Highly Protected Information any information the party reasonably determines:
 - (a) Falls within the scope of ORCP 36(C)(1) (a trade secret or other confidential research, development, or commercial information);
 - (b) Is not publicly available; and
 - (c) Is not adequately protected by the general protective order.
3. To designate information as Highly Protected Information, a party must place the following legend on the material:

HIGHLY PROTECTED INFORMATION
SUBJECT TO MODIFIED PROTECTIVE ORDER NO. 19-054

The party should make reasonable efforts to designate as Highly Protected Information only the portions of the information that satisfies paragraph 2 of this Modified Protective Order.

4. Each page of a document containing Highly Protected Information filed with the Commission and served on persons qualified to access Highly Protected Information under this order must be printed on green paper and placed in a sealed envelope or other appropriate container. Only the portions of a document that fall within ORCP 36(C)(1) may be placed in the envelope/container. The envelope/container must bear the legend:

THIS ENVELOPE IS SEALED UNDER ORDER NO. 19-054
AND CONTAINS HIGHLY PROTECTED INFORMATION. THE
INFORMATION MAY BE SHOWN ONLY TO PERSONS
QUALIFIED TO ACCESS HIGHLY PROTECTED INFORMATION
AS DEFINED IN THE ORDER.

5. Highly Protected Information disclosed by a designating party to a person qualified to access Highly Protected Information through informal discovery or by means of the Commission’s Huddle website will be marked “Highly Protected Information” and uploaded to a file folder designated “Highly Protected” in Huddle, if applicable.

6. A party may designate as Highly Protected Information any information previously provided by giving written notice to the Commission and other parties. Parties in possession of newly designated Highly Protected Information must make reasonable efforts to ensure that all copies of the material containing the information bear the above legend if requested by the designating party.
7. A designating party must make reasonable efforts to ensure that information designated as Highly Protected Information continues to warrant protection under this order. If designated information becomes publically available or no longer falls within the scope of ORCP 36(C)(1), the designating party should make reasonable efforts to remove the protected designation and provide written notice to the Commission and other parties.

Challenge to Designation of Information as Highly Protected:

8. A party may informally challenge any designation of Highly Protected Information by notifying the designating party. Once notified, the designating party bears the burden of showing that the challenged information is covered by ORCP 36(C)(1) and that the “Highly Protected Information” designation is necessary. Any party may request that the ALJ hold a conference to help resolve disputes about proper designation.
9. If the dispute cannot be resolved informally, the challenging party may file a written objection with the ALJ. The objection need only identify the information in dispute and certify that reasonable efforts to achieve informal resolution have failed.
10. Within five business days of service of the objection, the designating party must either remove the challenged protected designation or file a written response. A written response must identify the factual and legal basis of how the challenged information is protected under the Oregon Public Records Act, ORS 192.311 *et seq*, or the Uniform Trade Secrets Act, ORS 646.461(4). Broad allegations unsubstantiated by specific facts are not sufficient. If the designating party does not timely respond to the objection, the Commission will remove the protected designation from the challenged information.
11. The challenging party may file a written reply to any response within five business days of service of an objection. The designating party may file a sur-reply within three business days of service of a response. The ALJ will make all reasonable efforts to resolve the matter within ten business days of service of the last filing.

Access to Highly Protected Information:

12. Persons automatically bound and qualified to access Highly Protected Information are:
 - (a) Commission employees; and
 - (b) Assistant Attorneys General assigned to represent the Commission.

13. The following persons are qualified to access Highly Protected Information upon completing Appendix B:
 - (a) An employee or counsel of the Regulatory Division at the Oregon Citizens' Utility Board; and
 - (b) Counsel for a party.
14. A party bound by the General Protective Order No. 18-490 may seek to qualify other persons to access certain specific Highly Protected Information by having those persons complete and sign Appendix C, and submitting that information to the designating party and the Commission. Within five business days of receiving a copy of Appendix C, the designating party must either provide the access to the requested information designated as Highly Protected Information or file an objection under paragraph 15.

Objection to Access to Protected Information:

15. All persons qualified to have access to Highly Protected Information will have access to Highly Protected Information unless the designating party objects as provided in this paragraph. As soon as the designating party becomes aware of reasons to restrict access to a Qualified Person, or objects to a person seeking qualification under Paragraph 14, the designating party must provide the person and his or her counsel notice stating the basis for the objection. The parties must promptly confer and attempt to resolve the dispute on an informal basis.
16. If the parties are unable to resolve the matter informally, the designating party must file a written objection with the ALJ. The requesting party may file a response to the motion within five business days of service of an objection. The ALJ will make all reasonable efforts to resolve the matter within ten business days of the last filing. Pending the ALJ's decision, the specific Highly Protected Information may not be disclosed to the person subject to the objection.

Use of Protected Information:

17. All Qualified Persons must take reasonable precautions to keep Highly Protected Information secure. Qualified Persons may reproduce Highly Protected Information only to the extent necessary to participate in these proceedings. A Qualified Person may discuss Highly Protected Information obtained under this order only with other Qualified Persons who have obtained the same information under this order.
18. Without the written permission of the designating party, any person given access to Highly Protected Information under this order may not disclose Highly Protected Information for any purpose other than participating in these proceedings.
19. Nothing in this protective order precludes any party from independently seeking through discovery in any other administrative or judicial proceeding information or materials produced in this proceeding under this protective order.

20. Counsel of record may retain memoranda, pleadings, testimony, discovery, or other documents containing Highly Protected Information to the extent reasonably necessary to maintain a file of these proceedings or to comply with requirements imposed by another governmental agency or court order. Any other person retaining Highly Protected Information must destroy or return it to the designating party within 90 days after final resolution of these proceedings unless the designating party consents in writing to retention of the Highly Protected Information. This paragraph does not apply to the Commission or its Staff.

Duration of Protection:

21. The Commission will preserve the designation of information as Highly Protected Information for a period of five years from the date of the final order in these proceedings, unless extended by the Commission at the request of the designating party. The Commission will notify the designating party at least two weeks prior to the release of Highly Protected Information.
