OF OREGON**

CP 1400

In the Matter of the Cancellation of the
Certificate of Authority Held by ACCESS
POINT, INC.

ORDER

DISPOSITION: CERTIFICATE OF AUTHORITY CANCELED

On August 20, 1997, Access Point, Inc. was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 97-322.

In a letter dated April 4, 2019, Sharon Thomas, Consultant for Access Point, Inc., requested the Commission cancel the company's certificate of authority to provide telecommunications service in Oregon as it is no longer providing telecommunications services in Oregon. The company is reminded that because it had a certificate of authority for one or more days in 2019, it is required to file a revenue statement and pay a minimum of \$100 for that year.

In view of the foregoing, the certificate of authority to provide telecommunications service in Oregon held by Access Point, Inc. should be canceled.

IT IS ORDERED that the certificate of authority held by Access Point, Inc. is canceled.

Made, entered, and effective Apr 9, 2019.
