#### ITEM NO. 1

## PUBLIC UTILITY COMMISSION OF OREGON STAFF REPORT PUBLIC MEETING DATE: June 6, 2019

REGULAR	X	CONSENT	EFFECTIVE DATE	June 6, 2019

DATE:

June 3, 2019

TO:

**Public Utility Commission** 

FROM:

JP Batmale

THROUGH: Jason Eisdorfer

SUBJECT: PORTLAND GENERAL ELECTRIC COMPANY: (Docket No. UM 2016)

Request for waiver of OAR 860-083-035(1)(a) to extend the 2018

Renewable Portfolio Standard compliance report filing to June 17, 2019.

#### STAFF RECOMMENDATION:

The Commission approve Portland General Electric's (PGE's or Company's) waiver request and extend the deadline for the Company's 2018 Renewable Portfolio Standard (RPS) compliance report by two weeks to June 17, 2019.

## **DISCUSSION:**

#### Issue

Whether the Commission should approve PGE's waiver request and extend the deadline for the Company's 2018 RPS compliance report to June 17, 2019.

## Applicable Rule or Law

ORS 469A.170 (1) states that each electric utility and electricity service supplier that is subject to a RPS shall make an annual compliance report for the purpose of detailing compliance, or failure to comply, with the renewable portfolio standard applicable in the compliance year.

ORS 469A.170 (3) states that the Commission by rule may establish requirements for compliance reports submitted by an electric company or electric service supplier.

PGE RPS Report Extension Request June 3, 2019 Page 2

OAR 860-083-0350 (1)(a) provides that "On or before June 1, 2012, and annually on or before June 1 thereafter, each electric company that is subject to a renewable portfolio standard set forth in ORS 469A.052 or 469A.055 for the previous calendar year must file a report with the Commission demonstrating compliance, or explaining in detail its failure to comply, with the applicable renewable portfolio standard."

And OAR 860-083-0005(2) states that upon request or its own motion, the Commission may waive any of the Division 083 rules for good cause shown. A request for waiver must be made in writing, unless otherwise allowed by the Commission.

#### Analysis

On May 30, 2019, PGE filed a request for a two week extension on their annual RPS compliance report. In the filing and in conversations with the Company, they presented a reasonable case for a short extension. The main reasons were staff turnover and wanting to submit a fully compliant report. Last year, PGE needed to make a supplemental filing to revise the original 2017 RPS compliance report after Commission Staff feedback.<sup>1</sup>

Staff supports PGE's request for a waiver and a short, two-week extension for the following reasons:

- PGE's reasons are reasonable;
- Staff prefers the Company to be confident that its filing is complete and accurate when first submitted;
- And, the impact on the regulatory schedule, Commission workload, and overall compliance is minimal.

## Conclusion

Staff supports PGE's waiver request and two week extension for its 2018 RPS compliance report filing. PGE's reasons are reasonable and the impact to the Commission and overall RPS compliance is negligible.

#### PROPOSED COMMISSION MOTION:

Approve PGE's waiver request and extend the deadline for the Company's 2018 RPS compliance report by two weeks to June 17, 2019.
