ORDER

DISPOSITION: CERTIFICATE OF AUTHORITY CANCELED

On June 2, 2016, Symmetrical Networks Communication Systems, LLC was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 16-214.

In a letter received July 17, 2019, Dann Wheeler, President of Symmetrical Networks Communication Systems, LLC, requested the Commission cancel the company's certificate of authority to provide telecommunications service in Oregon as it is not providing service in Oregon and has no plans to do so. The company is reminded that because it had a certificate of authority for one or more days in 2019, it is required to file a revenue statement and pay a minimum of \$100 for that year.

In view of the foregoing, the certificate of authority to provide telecommunications service in Oregon held by Symmetrical Networks Communication Systems, LLC should be canceled.

IT IS ORDERED that the certificate of authority held by Symmetrical Networks Communication Systems, LLC is canceled.
