

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UW 166

In the Matter of

ROATS WATER SYSTEM, INC.,

Request for a General Rate Revision.

ORDER

DISPOSITION: TIME LINE SPECIFIED IN ORDER NO. 17-123 AMENDED

On September 22, 2020, and December, 11, 2020, Staff of the Public Utility Commission filed motions to admit an amended stipulation and to admit a second amended stipulation, respectively. Order No. 20-469 was issued finding good cause to amend Order No. 17-123 accordingly.

On March 9, 2021, Staff filed a motion to admit a third amended stipulation. Staff explains that an additional extension is requested due to a construction project that Roats Water System, Inc., is completing for the city of Bend which has resulted in a decrease in the resources available for the company to prepare a general rate case. Staff's motion, supported by all stipulating parties, request that the deadline for filing a general rate case be extended from March 1, 2021, to May 1, 2021, and requests to amend the stipulation to that effect.

Order No. 17-123, incorporated the stipulation the motion seeks to amend. Accordingly, to effectively change the deadline for the filing of the general rate case, Order No. 17-123 must be further amended.

The Chief Administrative Law Judge has been delegated the authority to modify time lines specified in a Commission order.¹ Exercising that authority, I find good cause to amend Order No. 17-123, to change the incorporated stipulation requiring the filing of a general rate case "no later than three years and six months after a final order is issued in this case, with a test year reflective of the Company's most recent full fiscal year of actuals" to "no later than May 1, 2021."
