In the Matter of

SUNRIVER WATER LLC,

Request for a General Rate Revision.

ORDER

DISPOSITION: TARIFF SHEETS SUSPENDED

On May 28, 2021, Sunriver Water, LLC, filed tariff sheets in Advice No. 21-1 to be effective July 1, 2021. On August 27, 2021 Sunriver Water filed a motion to vacate procedural schedule and filed tariff sheets for Advice No. 21-1A. The effective date is being changed from July 1, 2021 to October 1, 2021. The filing seeks a general increase in customer rates. I find good and sufficient cause exists to investigate the propriety and reasonableness of the tariff sheets under ORS 757.210 and 757.215.

ORS 757.215(1) authorizes the suspension of a rate filing for a period not to exceed nine months. Although the statute contemplates that the maximum suspension would occur in two steps—an initial six-month suspension followed by a second three-month suspension if necessary—I conclude at this time that a full nine-month suspension is necessary to investigate this general rate proceeding.

ORDER

IT IS ORDERED that Advice No. 21-1A filed by Sunriver Water, LLC, is suspended for a period of time not to exceed nine months from October 1, 2021, the effective date of the tariff sheets.

Made, entered, and effective Sep 1, 2021.
