DISPOSITION: ORDER NO. 22-390 CORRECTED

On October 25, 2022, the Commission memorialized its decision in Order No. 22-390, approving Staff’s recommendation with additional direction. In the fourth paragraph, second sentence of the order, we inadvertently referenced the incorrect section of Staff’s proposal.

**ORDER**

It is ordered that the fourth paragraph, second sentence of Order No. 22-390 is corrected as follows:

We are supportive of Staffs approach as described in Topic #5, “~~Resiliency Specific Guidance,~~” “Continual Progress and IRP Cost/Risk Framework” but we will wait to approve any interim guidance until after Staff brings it forward in a formal waiver request with respect to IRP guidelines, with refinements to the interim guidelines reflecting the discussion during the Special Public Meeting.

The remainder of the order is unchanged.

Made, entered, and effective Dec 05 2022.
