ORDER

DISPOSITION: ORDER NO. 23-109 AMENDED

On April 3, 2023, Lumen Technologies (Lumen) requested in its compliance filing that the Commission modify Order No. 23-109 to change the reporting requirement reflected in that decision. Specifically, to accommodate the time needed to compile and report the required data, Lumen requests that the order be modified to require the company to file data from January 1 through March 22, 2023, by April 3, 2023, data from March 23, 2023 through April 5, 2023, by April 17, 2023, and continuing data production every two weeks thereafter.

The Chief Administrative Law Judge has been delegated the authority to modify timelines specified in a Commission order.² Exercising that authority, I find good cause to amend Order No. 23-109.
