ORDER

DISPOSITION: CERTIFICATE OF AUTHORITY CANCELED

On January 8, 2002, National Access Long Distance, Inc. was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. See Order No. 02-013.

In a letter dated April 21, 2023, Kenny Perkins, Consultant for National Access Long Distance, Inc., requested the Commission cancel the company's certificate of authority to provide telecommunications service in Oregon as it is no longer providing services to Oregon customers. The company is reminded that because it had a certificate of authority for one or more days in 2023, it is required to file a revenue statement and pay a minimum of \$100 for that year.

In view of the foregoing, the certificate of authority to provide telecommunications service in Oregon held by National Access Long Distance, Inc. should be canceled.

IT IS ORDERED that the certificate of authority held by National Access Long Distance, Inc. is canceled.
