PUBLIC UTILITY COMMISSION OF  
OREGON,

Complainant,

v.

FIBER COM LLC,

Defendant.

ORDER

**DISPOSITION: MONETARY PENALTIES ASSESSED**

On January 26, 2023, the Public Utility Commission of Oregon filed a complaint against defendant. The complaint charged defendant with one violation of law, OAR 952-001-0090(3)(c), for failing to properly determine the exact location of a marked underground natural gas facility in the direct area of drill travel while performing an excavation.

Defendant was notified in the complaint, served on January 26, 2023, that failure to answer or otherwise appear within 20 days after service would be deemed a default. Furthermore, all material allegations of the complaint would be deemed admitted, hearing waived, penalties imposed, and the matter disposed of by appropriate order without further notice. Defendant failed to file an answer or otherwise plead or appear within the time specified.

From the foregoing, it is concluded that defendant is in default, all material allegations of the complaint are deemed admitted, hearing waived, and that, under ORS 757.993, civil monetary penalties should be assessed against defendant in the amount of \$1,000.00.

**ORDER**

IT IS ORDERED that:

2. Defendant shall pay the sum of \$1,000.00, due and payable within 30 days from the date of service of this order.
