ORDER

DISPOSITION: REQUEST FOR EXTENSION OF TERM GRANTED; ORDER
NO. 15-300 FURTHER AMENDED

On June 28, 2023, Staff of the Public Utility Commission of Oregon filed a letter on behalf of the parties to this docket indicating that, consistent with Order No. 23-048 and Order No. 15-300, the parties have conferred on the best interests at issue, and unanimously agreed to extend the terms of Paragraphs 40.1 and 40.2 of the governing stipulation in this case for an additional period of twelve months, through July 1, 2024.

The Chief Administrative Law Judge has been delegated the authority to modify timelines specified in a Commission order.¹ Exercising that authority, I find good cause to amend Order No. 15-300, consistent with the parties' determinations as outlined in the approved stipulation. Paragraphs 40.1 and 40.2 of Order No. 15-300 as amended by Order No. 23-048 are amended, as follows:

40.1 For the ~~twelve~~twenty-four-month period from July 1, 2022 to ~~July 1, 2023~~July 1, 2024 ("Initial ~~12~~24-month period"), i-wireless shall offer the OTAP-supported service for Lifeline-only service plans and may seek compensation from the State of Oregon as provided in OAR Chapter 860, Division 33 for the OTAP-supported service for Lifeline-only service plans. During this Initial ~~12~~24-month period, when i-wireless receives compensation from the State of Oregon pursuant to OAR 860-033-0045, i-wireless will provide applicants approved for Oregon Lifeline-only service

with the option to receive a free handset. During the Initial ~~12~~24-month period, i-wireless will accept online applications for service in Oregon without requiring the applicant to provide handset information, such as an IMEI number. i-wireless may request compensation for the State of Oregon monthly support amount of \$10.00 per customer under OAR 860-033-0045 during this time, provided it meets the minimum service standards of OAR 860-033-0035(1)(c). The requirement to offer unlimited data in OAR 860-033-0035 (1)(c) shall be waived during the Initial ~~12~~24-month period provided i-wireless provides a monthly 5 GB of data and unlimited talk and text to a customer. The parties support this waiver as appropriate and in the public interest.

40.2 In the event i-wireless decides, at its discretion, during the Initial ~~12~~24- month period, not to offer the OTAP-supported service for Lifeline-only service plans and will not seek compensation from the State of Oregon pursuant to OAR 860-033-0045 for reasons including but not limited to a federal Minimum Service Standards increase or for economic reasons that impact costs in such a way that makes it impracticable to continue to offer a free handset, the Company will provide 60 days' advance written notice to the Stipulating Parties that identifies the reason(s) for the decision.

The remainder of Order No. 15-300 and Order No. 23-048 remain unchanged.
