OF OREGON**

CP 1552

In the Matter of the Cancellation of the
Certificate of Authority Held by ORIGIN
NETWORKS, LLC.

ORDER

DISPOSITION: CERTIFICATE OF AUTHORITY CANCELED

On July 16, 2013, Origin Networks, LLC was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 13-273.

In a letter dated October 11, 2023, Scott Hansen, President of Origin Networks, LLC, requested the Commission cancel the company's certificate of authority to provide telecommunications service in Oregon as it is no longer providing services in Oregon following a transfer to Hunter Communications & Technologies, LLC.

The company is reminded that because it had a certificate of authority for one or more days in 2023, it is required to file a revenue statement and pay a minimum of \$100 for that year.

In view of the foregoing, the certificate of authority to provide telecommunications service in Oregon held by Origin Networks, LLC should be canceled.

IT IS ORDERED that the certificate of authority held by Origin Networks, LLC is canceled.

Made, entered, and effective Oct 11, 2023.
