

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UM 1987

In the Matter of

PORTLAND GENERAL ELECTRIC  
COMPANY,

Request to Update its Schedule 201 and  
Standard Power Purchase Agreements.

ORDER

DISPOSITION: REQUEST WITHDRAWN; DOCKET CLOSED

On December 7, 2018, Portland General Electric Company filed a request to update its Schedule 201 and standard power purchase agreements (PPA). On December 19, 2024, the administrative law judge granted a motion to stay the proceeding to allow the parties to focus their efforts on developing standard contract terms and conditions in the AR 631 rulemaking. The AR 631 rules were adopted and took effect on July 26, 2023. PGE explains that in implementing the AR 631 rules it sought approval of a revised Schedule 201 and standard PPA in docket UM 2299. PGE states that its revised Schedule 201 and standard PPA were accepted on May 14, 2024, and are now in effect.

On June 13, 2024, PGE filed a notice of withdrawal of its request in this docket. PGE asserts because it obtained approval of an updated standard PPA and Schedule 201 in a different proceeding, this docket is no longer necessary and should be closed.

Order No. 23-321 delegates authority to the Chief Administrative Law Judge to issue orders closing a docket where, prior to an evidentiary hearing, the applicant voluntarily withdraws the pleading initiating the docket. After reviewing PGE's request, I find good cause to close this docket. PGE's request is withdrawn and this docket is closed.

**ORDER**

IT IS ORDERED that docket UM 1987 is closed.

Made, entered, and effective on Jun 17, 2024.
