ERRATA
ORDER

DISPOSITION: ORDER NO. 25-111 CORRECTED

On March 24, 2025, in Order No. 25-111, the Commission memorialized its decision, made and effective at the March 20, 2025 Special Public Meeting to open a rulemaking docket to consider updates for integrated resource plan requirements and the competitive bidding rules consistent with Staff's Final Proposal, as modified and informed by our discussion at the Special Public Meeting.

The memorialization of that decision inadvertently included appeal language, which is typically included with final public meeting orders but not an order opening a rulemaking docket. The Commission decision was not a final order and should not have been designated as such.

ORDER

IT IS ORDERED that the appeal language following our signatures in Order No. 25-111 is omitted. The order otherwise remains unchanged.

Made, entered, and effective Mar 25 2025.
