In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

Request for Seaside Battery Storage
Resource Alternative Recovery Mechanism
(Schedule 120).

ORDER

DISPOSITION: TARIFF SHEETS SUSPENDED

On May 30, 2025, Portland General Electric Company filed tariff sheets in Advice No. 25-17 to be effective June 30, 2025. The filing seeks a general increase in customer rates. The Commission finds good and sufficient cause exists to investigate the propriety and reasonableness of the tariff sheets under ORS 757.210 and 757.215.

ORS 757.215(1) authorizes the suspension of a rate filing for a period up to nine months. We conclude at this time that a four-month suspension is necessary to investigate this general rate proceeding, consistent with the procedural schedule adopted in this docket.

ORDER

IT IS ORDERED that Advice No. 25-17 filed by Portland General Electric Company is suspended for a period of time of up to four months from June 30, 2025, the effective date of the tariff sheets.

Made, entered, and effective Jun 11 2025.
