CP 1383

In the Matter of the Cancellation of the
Certificate of Authority Held by CCI
NETWORK SERVICES LLC.

ORDER

DISPOSITION: CERTIFICATE OF AUTHORITY CANCELED

On 10/16/2007, CCI Network Services LLC was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider.
See Order No. 07-443.

In a letter dated December 3, 2025, Jeff Parsons, CEO for CCI Network Services LLC, requested the Commission cancel the company's certificate of authority to provide telecommunications service in Oregon as it is no longer providing services to Oregon customers. The company is reminded that because it had a certificate of authority for one or more days in 2025, it is required to file a revenue statement and pay a minimum of \$100 for that year.

In view of the foregoing, the certificate of authority to provide telecommunications service in Oregon held by CCI Network Services LLC should be canceled.

IT IS ORDERED that the certificate of authority held by CCI Network Services LLC is canceled.

Made, entered, and effective Jan 6, 2026.
