

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

LC 83

In the Matter of

CASCADE NATURAL GAS
CORPORATION,

2023 Integrated Resource Plan.

ORDER

DISPOSITION: DEADLINE SPECIFIED IN ORDER NO. 25-370 AMENDED

On May 26, 2026, Cascade Natural Gas Corporation filed a motion requesting to modify the deadline for the company’s second update to the 2023 Integrated Resource Plan (IRP) by extending the due date to May 29, 2026. Under Order No. 25-370, this second update was due on May 21, 2026. The company states it was not prepared to file the second update on May 21, 2026, because it did not notice the due date listed in Order No. 25-370.

The Chief Administrative Law Judge has been delegated the authority to modify timelines specified in a Commission order.¹ I find good cause to amend Order No. 25-370, to modify the deadline for the company’s second update to its 2023 IRP to May 29, 2026.

Order No. 25-127 is amended to change the deadline from “May 21, 2026” to “May 29, 2026.” The remainder of the order remains unchanged.

Made, entered, and effective May 26, 2026.

Alison Lackey
Chief Administrative Law Judge
