PORTLAND GENERAL ELECTRIC
COMPANY,2023 Clean Energy Plan and Integrated
Resource Plan.

ORDER

DISPOSITION: TIMELINE SPECIFIED IN ORDER NO. 26-113 AMENDED

On September 28, 2026, Portland General Electric Company filed a motion requesting to modify the deadline for the company's 2026 integrated resource plan (IRP) and clean energy plan (CEP) to October 15, 2026. Under Order No. 26-113, PGE's 2026 IRP and CEP is due September 30, 2026. The company asserts that there is good cause for the fifteen-day extension to allow time to assess how the Commission's September 25, 2026 order in docket UM 2385 regarding its application to establish a holding company may affect the IRP and CEP. The company represents that the extension is not expected to materially impact the timeline in this docket.

The Chief Administrative Law Judge has been delegated the authority to modify timelines specified in a Commission order.¹ I find good cause to amend Order No. 26-113, to modify the deadline for the company's 2026 IRP and CEP to October 15, 2026.

Order No. 26-113 is amended to change the deadline from "September 30, 2026" to "October 15, 2026." The remainder of the order remains unchanged.

Made, entered, and effective Sep 28, 2026.
