UG 221

In the Matter of NORTHWEST NATURAL GAS COMPANY, dba NW NATURAL Request for a General Rate Revision.	ORDER

DISPOSITION: TIMELINE SPECIFIED IN ORDER NO. 25-375 AMENDED

On September 24, 2026, Northwest Natural Gas Company, dba NW Natural, filed a motion requesting to amend Order No. 25-375. Order No. 25-375 modified the requirement that the amortization period associated with NW Natural's Site Remediation Recovery Mechanism (SRRM) run from November 1 through October 31, to requiring that the amortization period run from October 31 to October 30. The company requests modification of the dates to require the amortization period run from November 1 to October 31 for the non-residential SRRM adjustment.

NW Natural proposes to modify Order No. 25-375 as follows to effectuate this change:

> Order Nos. 12-437 and 12-408 are amended to change the requirement that the amortization period associated with NW Natural's **residential** SRRM run from November 1 through October 31, to requiring that the amortization period run from October 31 to October 30**, and thereby Order Nos. 12-437 and 12-408 set the amortization period associated with NW Natural's non-residential SRRM from November 1 through October 31**.

No party filed an objection to NW Natural's request.

The Chief Administrative Law Judge has been delegated the authority to modify timelines specified in a Commission order.[1] I find good cause to amend Order No. 25-375, to modify the amortization period associated with the non-residential SRRM.

The remainder of the order remains unchanged.

Made, entered, and effective Oct 5 2026.
