ORDER NO. 26-442

ENTERED Nov 13 2026

BEFORE THE PUBLIC UTILITY COMMISSION

OF OREGON

LC 85

In the Matter of PACIFICORP, dba PACIFIC POWER, 2025 Integrated Resource Plan and Clean Energy Plan.	ORDER

DISPOSITION: AMENDED BUDGET FOR ISSUE FUND GRANT APPROVED

On June 24, 2026, the Oregon Citizens' Utility Board (CUB) filed an amended request for an issue fund grant and amended budget in this proceeding. The Commission approved CUB's original proposed budget in Order 25-340 and authorized a grant of up to $22,000.00 from the 2025 PacifiCorp, dba Pacific Power, Issue Fund.[1] CUB's amended budget shows $53,966.25 in eligible expenses and CUB now seeks $42,634.00 from the 2025 PacifiCorp Issue Fund.[2] To accommodate its proposed amended budget in this proceeding, CUB concurrently filed a request to reallocate $20,634.00 from its 2025 PacifiCorp Issue Fund grant in docket UE 450 to its amended budget in this proceeding.

The Fifth Amended and Restated Intervenor Funding Agreement[3] (Agreement) provides that an intervenor who received Commission approval for an Issue Fund Grant may file to amend its budget and request additional funding due to unforeseen changes in the scope or complexity of issues, positions taken by other parties, changes in the schedule of the case, or other good cause.

Once an amended proposed budget is received, the Commission decides whether additional issue fund grants are available for use based on factors identified in the Agreement. The Commission has the authority to accept, deny or partially deny the request, and may place reasonable conditions on the grant. The Commission delegated

[2] CUB's filing states it is seeking funding from the 2026 PacifiCorp Issue Fund but subsequently confirmed it is seeking funding from the 2025 PacifiCorp Issue Fund.

responsibility to sign uncontested orders relating to Intervenor Funding Agreements to the Chief Administrative Law Judge, consistent with Order No. 25-408.[4]

CUB was automatically precertified to receive issue fund grants under Section 5.2(a) of the Agreement and OAR 860-001-0120(3)(a). CUB's amended proposed budget includes the requisite information and complies with the Agreement.

In light of the scope and complexity of the issues being addressed, I find good cause to approve CUB's amended proposed budget.
