ORDER

IT IS ORDERED that:

1. Civil monetary penalties shall be assessed against defendant in the amount of \$1,000; and
2. Defendant shall pay the sum of \$250, due and payable within 30 days from the date of service of this order; and
3. Payment of the balance of the penalties (\$750) shall be suspended for a period of one year following entry of this order; and
4. One violation of OAR 952-001-0050(1) and two violations of OAR 952-001-0090 are dismissed.

STIPULATION FOR ENTRY OF FINAL
ORDER

The Public Utility Commission of Oregon, appearing by and through Paul A. Graham,
Assistant Attorney General, and Raymond A. Garren, the defendant herein, hereby stipulate as
follows:

1.

A Complaint in this case is pending before the Commission charging the defendant with
five violations of law, as set out in the attached Complaint on file herein.

2.

Both parties to this proceeding are willing to forego further processing of that Complaint
and further are willing to resolve this matter on the basis of this stipulation.

3.

The defendant admits that the violation(s) were committed as alleged in the Complaint
and is willing for the Commission to enter an order finding that those violation(s) were
committed as alleged in the Complaint.

1 4.

2 The parties further agree that the Commission may enter an order assessing civil
3 monetary penalties against the defendant in the amount of \$1000 under the following terms and
4 conditions:

5 A. With respect to the violations of OAR 952-001-0050(1), \$250 shall become due and payable
6 on or before the thirteenth day following the Commission's entry of a final order in this case.
7 Payment of the balance of the penalties (\$750) shall be suspended for a period of one year
8 following the entry of the Commission's final order in this case. If defendant complies with
9 all of the rules adopted by the Oregon Utility Notification Center (OUNC) under ORS
10 757.552 for that one year period, the balance of the penalties (\$750) shall be dismissed and
11 no further penalties shall be imposed for the violations alleged in the Complaint. One
12 violation of OAR 952-001-0050(1) is dismissed.

13 B. The violations of OAR 952-001-0090 are dismissed.

14 C. In the event that complainant contends that the defendant has not complied with all OUNC
15 rules for that one year period, complainant may reopen this proceeding and petition for
16 imposition of all or a portion of the suspended penalties. In such case defendant shall be
17 entitled to a hearing and to be notified of the basis upon which complainant contends that
