**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

ARB 100

In the Matter of the Petition of Metro)	
One Telecommunications, Inc., for)	ORDER
Arbitration of an Interconnection Agreement)	
with U S West Communications, Inc.,)	
Pursuant to 47 USC Section 252.)	

**DISPOSITION: EXECUTED INTERCONNECTION AGREEMENT
APPROVED**

On March 29, 1999, the Commission issued Order No. 99-242 and adopted the arbitrator’s resolution of issues presented in a request for Arbitration under Section 252 of the Telecommunications Act of 1996. On July 15, 1999, the Commission issued Order No. 99-411 and clarified its prior decision with respect to Directory Assistance Listing Information.

Subsequent to the Commission’s orders, Metro One and U S WEST Communications negotiated specific contract language to be included in the interconnection agreement. On August 25, 1999, the parties filed a copy of the executed agreement for Commission approval.

Section 252(e)(1) of the Communications Act of 1934, as amended by the Telecommunications Act of 1996, requires that any interconnection agreement adopted by negotiation or arbitration shall be submitted for approval to the State commission. Section 252(e)(2)(B) provides that the State commission may reject an agreement (or any portion thereof) adopted by arbitration only “if it finds that the agreement does not meet the requirements of section 251, including the regulations prescribed by the Commission pursuant to section 251, or the standards set forth in subsection (d) of this section.”

The Commission concludes that the interconnection agreement comports with the requirements of the Act, the Federal Communications Commission rules where applicable, and relevant state law and regulations, and should be approved.

IT IS ORDERED that the interconnection agreement filed by the parties on August 25, 1999, is approved, effective on the date specified in the agreement.
