(Area IIIC).)	

DISPOSITION: APPLICATION APPROVED

On December 2, 1999, Central Lincoln People's Utility District (CLPUD) filed with the Commission an application for an allocation of exclusively served territory (Area IIIC, which is located in Douglas County, Oregon, and includes the major part of the City of Reedsport and some rural areas primarily south of Reedsport). The application was filed pursuant to ORS 758.435 and OAR 860-025-0020 and docketed as UA 77.

Public notice of the application was published in *The Umpqua Post*, a newspaper of general circulation published in Reedsport, on December 8, 1999, and December 15, 1999. The Notice informed the public that any affected customer may request a hearing within 30 days of the notice. No one requested a hearing. Our Staff investigated the matter and does not object to granting the requested allocation.

We have reviewed the application and the administrative record. Based on our review, we find that CLPUD is exclusively serving the territory covered by the application in this docket. The application of CLPUD for an allocation of exclusively served territory should be approved.

A description of the CLPUD exclusive service territory requested in this docket is attached as Exhibit A to this order.
