**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 945

In the Matter of the Petition for Extended Area)	
Service by the LANGLOIS TELEPHONE)	ORDER
EXCHANGE.)	

**DISPOSITION: NO COMMUNITY OF INTEREST FOUND;
PETITION DENIED**

On March 3, 2000, an Administrative Law Judge (ALJ) issued a proposed order in this matter. The ALJ concluded that the proposed interexchange routes between the Langlois exchange and the Coos Bay-North Bend, Coquille, and Myrtle Point telephone exchanges did not meet the Commission's objective criteria for a community of interest set forth in Order Nos. 89-815 and 92-1136. Based on that conclusion, the ALJ recommended that the extended area service (EAS) petition be dismissed, unless the petitioners requested an opportunity to establish, through demographic, economic, financial, and other evidence that a community of interest exists. The proposed order advised the petitioners that such a request had to be filed within 15 days from the date of service.

Petitioners did not request a demographic hearing, and the time for doing so has expired. The proposed order, Attachment 1, has been considered and is adopted.

IT IS ORDERED that:

1. The following interexchange routes do not meet the objective community of interest requirements of Order Nos. 89-815 and 92-1136:

2. Petitioners did not request an opportunity to establish through demographic, economic, financial, or other evidence that a community of interest exists between the exchanges.
