CORPORATION, Submitted for Commission)
Approval Pursuant to Section 252(e) of the)
Telecommunications Act of 1996.)

DISPOSITION: AMENDMENT APPROVED

On November 20, 2001, RCC Holdings, Inc. (formerly known as BMCT L.P.) and Qwest Corporation filed a second amendment to the interconnection agreement and subsequent amendment previously approved by the Public Utility Commission of Oregon with Order Nos. 97-213 and 97-447. The parties seek approval of the amendment under Section 252(e) of the Telecommunications Act of 1996. The Commission posted an electronic copy of the amendment on the World Wide Web, at: <http://www.puc.state.or.us/caragmnt/>. Only the Commission Staff (Staff) filed comments.

Under the Act, the Commission must approve or reject an agreement reached through voluntary negotiation within 90 days of filing. The Commission may reject an agreement only if it finds that:

- (1) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
- (2) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity.

Staff recommended approval of the amendment. Staff concluded that the amendment to the previously approved agreement does not appear to discriminate against telecommunications carriers who are not parties to the agreement and does not appear to be inconsistent with the public interest, convenience, and necessity.

OPINION

The Commission adopts Staff’s recommendation and concludes that there is no basis under the Act to reject the amendment to the previously approved agreement. No participant in the proceeding has requested that the amendment be rejected or has presented any reason for rejection. Accordingly, the amendment should be approved.

CONCLUSIONS

1. There is no basis for finding that the amendment to the previously approved agreement discriminates against any telecommunications carrier not a party to the agreement.
2. There is no basis for finding that implementation of the amended agreement is not consistent with the public interest, convenience, and necessity.
3. The amendment should be approved.

ORDER

IT IS ORDERED that the amendment to the previously approved agreements, between RCC Holdings, Inc. (formerly known as BMCT L.P.) and Qwest Corporation, is approved.
