ORDER

DISPOSITION: CANCELLATION ORDER RESCINDED

On October 12, 1998, the Commission granted a certificate of authority to Enhanced Communications Network Inc. (Enhanced) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 98-422. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Enhanced failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the November 6, 2001, public meeting, the Commission determined that Enhanced's certificate of authority should be canceled. Enhanced's certificate of authority was canceled in Order No. 01-958.

On December 4, 2001, Enhanced filed a request to suspend Order No. 01-958, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Enhanced filed the requested information on December 5, 2001.

The information sent by Enhanced to the Commission was late. However, the information has been received and it indicates Enhanced is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Enhanced's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 01-958 canceling the certificate of authority of Enhanced Communications Network, is rescinded.

Made, entered, and effective _____.

Phil Nyegaard
Acting Director
Utility Program
