of the Telecommunications Act of 1996.)	

DISPOSITION: AMENDMENTS APPROVED

On February 20, 2001, @link Networks, Inc. and Qwest Corporation (Qwest) filed with the Public Utility Commission of Oregon (Commission), first and second amendments to the interconnection agreement previously approved by the Commission in Order No. 00-733. The parties seek approval of these first and second amendments under Section 252(e) of the Telecommunications Act of 1996 (Act).

Under the Act, the Commission must approve or reject an agreement reached through voluntary negotiation within 90 days of filing. The Commission may reject an agreement only if it finds that:

- (1) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
- (2) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity.

The Commission provided notice of the request for approval and an opportunity to comment to a list of persons who have participated in arbitrations under the Act. The Commission Staff filed comments.

Staff concluded that the amendments to the previously filed agreement do not appear to discriminate against telecommunications carriers who are not parties to the agreement and does not appear to be inconsistent with the public interest, convenience, and necessity.

OPINION

The Commission has reviewed the amendments to the previously approved agreement and the comments. No participant in the proceeding has requested that the amendments be rejected or has presented any reason for rejection. The Commission concludes that there is no basis under the Act to reject the amendments and that the amendments should be approved.

CONCLUSIONS

1. There is no basis for finding that the amendments to the previously approved agreement discriminates against any telecommunications carrier not a party to the agreement.
2. There is no basis for finding that implementation of the amended agreement is not consistent with the public interest, convenience, and necessity.
3. The amendments should be approved.

ORDER

IT IS ORDERED that the amendments to the previously approved agreement between @link Networks, Inc., and Qwest Corporation, are approved.
