ORDER

**DISPOSITION: CANCELLATION ORDER RESCINDED**

On January 10, 1997, the Commission granted a certificate of authority to Inmark, Inc. (Inmark), to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 97-018. Oregon telecommunications providers are required to provide requested information to the Commission. In July and October 2000, Commission Staff requested information from Inmark. The Commission's records indicated that the agency did not receive the requested information, so on January 2, 2001, Inmark's certificate of authority was cancelled in Order No. 01-049.

On March 20, 2001, Inmark filed a request to suspend Order No. 01-049, claiming that it is attempting to correct any reporting deficiencies with the Commission's rules and regulations. A review of the Commission's records indicates that Inmark filed the requested information on December 14, 2000.

The information sent by Inmark to the Commission was late. However, the information has been received and it indicates Inmark is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Inmark's certificate should be rescinded.

**ORDER**

IT IS ORDERED that Order No. 01-049 canceling the certificate of authority of Inmark, Inc., dba Preferred Billing, is rescinded.

Made, entered, and effective \_\_\_\_\_.
