ORDER

DISPOSITION: CANCELLATION ORDER RESCINDED

On December 12, 2000, the Commission granted a certificate of authority to SCC Communications, Corp. (SCC) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 00-784. Oregon telecommunications providers are required to provide requested information to the Commission. In March, 2001, Commission Staff requested information from SCC. The Commission's records indicated that the agency did not receive the requested information, so its certificate of authority was cancelled at the Commission's April 17, 2001 public meeting. SCC's certificate of authority was cancelled in Order No. 01-368 on April 30, 2001, by the Commission.

On April 25, 2001, SCC filed a request to suspend Order No. 01-368, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that SCC filed the requested information on April 25, 2001.

The information sent by SCC to the Commission was late. However, the information has been received and it indicates SCC will be providing telecommunications service in Oregon. Under the circumstances, the cancellation of SCC's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 02-368 canceling the certificate of authority of SCC Communications, Corp., is rescinded.

Made, entered, and effective _____.

Acting Director
Utility Program
