ORDER

**DISPOSITION: CANCELLATION ORDER RESCINDED**

On September 27, 2000, the Commission granted a certificate of authority to Sigma Networks Telecommunications Inc. (Sigma) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 00-594. Oregon telecommunications providers are required to provide requested information to the Commission. In January and March, 2001, Commission Staff requested information from Sigma. The Commission's records indicated that the agency did not receive the requested information. At the April 17, 2001 public meeting, the Commission determined that Sigma's certificate of authority should be cancelled. Sigma's certificate of authority was cancelled in Order No. 01-369.

On May 3, 2001, Sigma filed a request to suspend Order No. 01-369, claiming that it now has complied with the Commission's rules and regulations. A review of the Commission's records indicates that Sigma filed the requested information on April 24, 2001.

The information sent by Sigma to the Commission was late. However, the information has been received and it indicates Sigma is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Sigma's certificate should be rescinded.

**ORDER**

IT IS ORDERED that Order No. 01-369 canceling the certificate of authority of Sigma Networks Telecommunications Inc., is rescinded.
