ORDER

DISPOSITION: CANCELLATION ORDER RESCINDED

On July 11, 2000, the Commission granted a certificate of authority to CRG International Inc. (CRG) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 00-361. Oregon telecommunications providers are required to provide requested information to the Commission. In January and February, 2001, Commission Staff requested information from CRG. The Commission's records indicated that the agency did not receive the requested information. At the April 17, 2001 public meeting, the Commission determined that CRG's certificate of authority should be canceled. CRG's certificate of authority was canceled in Order No. 01-356.

On June 15, 2001, CRG filed a request to suspend Order No. 01-356, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that CRG filed the requested information on June 15, 2001.

The information sent by CRG to the Commission was late. However, the information has been received and it indicates CRG is providing telecommunications service in Oregon. Under the circumstances, the cancellation of CRG's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 01-356 canceling the certificate of authority of CRG International Inc., is rescinded.
