DISPOSITION: CANCELLATION ORDER RESCINDED

On August 20, 1997, the Commission granted a certificate of authority to Access Point Inc. (API) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 97-322. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that API failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the April 19, 2005, public meeting, the Commission determined that API's certificate of authority should be canceled. API's certificate of authority was canceled in Order No. 05-199.

On May 12 and June 2, 2005, API filed requests to suspend Order No. 05-199, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that API filed the requested information.

The information sent by API to the Commission was late. However, the information has been received and it indicates API is providing telecommunications service in Oregon. Under the circumstances, the cancellation of API's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 05-199 canceling the certificate of authority of Access Point Inc. is rescinded.

Made, entered, and effective JUL 15 2005.
