DISPOSITION: AMENDMENT APPROVED

On May 26, 2006, XO Communications Services, Inc. and Qwest Corporation filed a twenty-first amendment¹ to the interconnection agreement and subsequent amendments previously approved by the Public Utility Commission by Orders No. 99-453, 01-729, 02-304, 02-812, 03-377, 03-581, 04-115, 04-178, 04-273, 04-721, 05-876, 05-986, 05-1077, and 06-219. The parties seek approval of the amendment under Section 252(e) of the Telecommunications Act of 1996. The Commission provided notice by posting an electronic copy of the agreement and amendment on the World Wide Web, at: <http://www.puc.state.or.us/caragmnt/>. Only the Commission Staff (Staff) filed comments.

Under the Act, the Commission must approve or reject an agreement reached through voluntary negotiation within 90 days of filing. The Commission may reject an agreement only if it finds that:

- (1) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
- (2) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity.

An interconnection agreement or amendment thereto has no effect or force until approved by a state Commission. *See* 47 U.S.C. Sections 252 (a) and (e). Accordingly, the effective date of this filing will be the date the Commission signs an order approving it, and any provision stating that the parties' amendment is effective prior to that date is not enforceable.

¹ The Commission extended the comment due date to June 29, 2006, 21 days from the docketed process date of June 7, 2006.

Staff recommended approval of the amendment. Staff concluded that the amendment to the previously approved agreement does not appear to discriminate against telecommunications carriers who are not parties to the agreement and does not appear to be inconsistent with the public interest, convenience, and necessity.

OPINION

The Commission adopts Staff's recommendation and concludes that there is no basis under the Act to reject the amendment to the previously approved agreement. No participant in the proceeding has requested that the amendment be rejected or has presented any reason for rejection. Accordingly, the amendment should be approved.

CONCLUSIONS

1. There is no basis for finding that the amendment to the previously approved agreement discriminates against any telecommunications carrier not a party to the agreement.
2. There is no basis for finding that implementation of the amended agreement is not consistent with the public interest, convenience, and necessity.
3. The amendment should be approved.

ORDER

IT IS ORDERED that the amendment to the previously approved agreement between XO Communications Services, Inc. and Qwest Corporation is approved.
