**DISPOSITION: ISSUE FUND GRANT REQUEST APPROVED**

On October 20, 2006, the Citizens' Utility Board of Oregon (CUB) filed a Request for Partial Payment of Portland General Electric Company's (PGE) Issue Fund Grant with the Public Utility Commission of Oregon (Commission). Section 7.3 of the Intervenor Funding Agreement (Agreement), which the Commission adopted in Order No. 03-388, governs the procedures for payment of Issue Fund Grants.

On January 20, 2006, CUB submitted a proposed budget of \$38,080, assuming a fully litigated case. The Commission approved CUB's proposed budget in Order No. 06-049.

CUB seeks payment of its costs incurred in the first phase of the proceeding, amounting to \$11,241.96. Under Section 7.3 of the Agreement, the Request for Payment must:

- 1) Itemize the expenses, payees and hourly rates of amount to be reimbursed;
- 2) Demonstrate that the expenses are reasonable and are directly attributable to issues and positions pursued on behalf of a particular customer class and consistent with the intervenor's proposed budget; and
- 3) Provide information sufficient to show that the intervenor has complied with any conditions imposed on the Issue Fund Grant.

The Agreement provides that the Commission shall make a determination in each proceeding as to how the participating utilities are to recover the funding grants from the various customer classes. Pursuant to Section 7.7(b), Issue Fund Grants should be allocated so as to fairly align the costs of the advocacy with the intended potential beneficiaries of the advocacy.

We find that CUB has met the requirements of the Agreement, and its request should be approved. We have considered the intended beneficiaries, and find that the issue fund expenditures should be allocated to PGE's residential customers. Section 7.2 of the Agreement provides that the utility shall pay the Issue Fund Grant to the requesting intervenor within 30 days after receipt of Commission directive.

**ORDER**

IT IS ORDERED that:

- 1. The Citizens' Utility Board of Oregon has met the requirements of the Intervenor Funding Agreement, and its request is approved.
- 2. Portland General Electric Company shall pay \$11,241.96 from its Issue Fund to the Citizens' Utility Board of Oregon within 30 days after receipt of this Order, and the grant shall be assessed to the utility's residential customers.
