DISPOSITION: CANCELLATION ORDER RESCINDED

On September 1, 2005, the Commission granted a certificate of authority to LCR Telecommunications LLC (LCR) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 05-976.

Oregon telecommunications providers are required to provide requested information to the Commission. LCR's original certificate of authority, docket CP 640, was granted on May 5, 1999. *See* Order No. 99-325. LCR failed to submit payments for the 4th Quarter 2004 OUS2 Form to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the April 19, 2005, public meeting, the Commission determined that LCR's certificate of authority should be canceled. LCR's certificate of authority was canceled in Order No. 05-233. LCR did not file a request to suspend Order No. 05-233. The company operated without a certificate of authority until they were granted a new certificate in docket CP 1298. *See* Order No. 05-976.

Again, after investigation, the Commission found that LCR failed to file its 1st Quarter 2007 OUS2 form to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the October 9, 2007, public meeting, the Commission determined that LCR's certificate of authority should be canceled. LCR's certificate of authority was canceled in Order No. 07-462. On January 4, 2008, LCR filed a request to suspend Order No. 07-462, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that LCR filed the requested information.

The information sent by LCR to the Commission was late. However, the information has been received and it indicates LCR is providing telecommunications

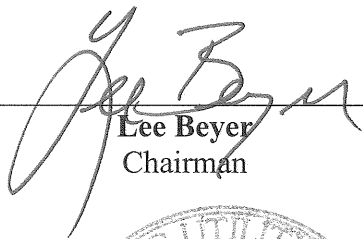

service in Oregon. Under the circumstances, the cancellation of LCR's certificate should be rescinded.

The Commission notes that this is the second time that LCR has sought reinstatement following the cancellation of its authority. Under these circumstances, the Commission emphasizes the need for LCR to fully comply with the Commission's rules and regulations in the future. If LCR again fails to fulfill its regulatory obligations, the Commission may conclude that it is not in the public interest to process a future application for recertification as a competitive provider.

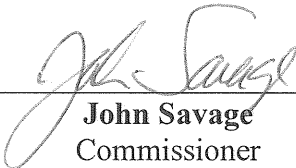

ORDER

IT IS ORDERED that Order No. 07-462 canceling the certificate of authority of LCR Telecommunications LLC, is rescinded.
