DISPOSITION: ISSUE FUND GRANT REQUEST APPROVED

On May 5, 2008, the Citizens' Utility Board of Oregon (CUB) filed with the Public Utility Commission of Oregon (Commission) a request for final payment from the Issue Funds of PacifiCorp, dba Pacific Power (PacifiCorp). Section 7.3 of the Intervenor Funding Agreement (Agreement), adopted by the Commission in Order No. 03-388, governs the procedures for payment of Issue Fund Grants.¹

On July 13, 2007, CUB submitted a proposed budget of \$17,322, assuming a fully litigated case. The Commission approved CUB's proposed budget in Order No. 07-317.

CUB now seeks payment of its costs in this case, amounting to \$2,626 from the PacifiCorp Issue Fund. CUB indicates that this request will be its final request for payment. Under Section 7.3 of the Agreement, the Request for Payment must:

1. Itemize the expenses, payees and hourly rates of amount to be reimbursed;
2. Demonstrate that the expenses are reasonable and are directly attributable to issues and positions pursued on behalf of a particular customer class and consistent with the intervenor's proposed budget; and
3. Provide information sufficient to show that the intervenor has complied with any conditions imposed on the Issue Fund Grant.

¹ This request is being processed under the terms of the Agreement that was in effect at the time of the proposed budget approval.

The Agreement provides that the Commission shall make a determination in each proceeding as to how the participating utilities are to recover the funding grants from the various customer classes. Pursuant to Section 7.7(b), Issue Fund Grants should be allocated so as to fairly align the costs of the advocacy with the intended potential beneficiaries of the advocacy.

We find that CUB has met the requirements of the Agreement and its request should be approved. We have considered the intended beneficiaries and find that the issue fund expenditures should be allocated to PacifiCorp's residential customers. Section 7.2 of the Agreement provides that the utility shall pay the Issue Fund Grant to the requesting intervenor within 30 days after receipt of Commission directive. The balance of the approved budget should be made available to the PacifiCorp Issue Fund provided no party requests clarification or reconsideration of Order No. 08-232 within the appropriate timeframe.

ORDER

IT IS ORDERED that:

1. The Citizens' Utility Board of Oregon has met the requirements of the Intervenor Funding Agreement, and its request is approved.
2. PacifiCorp shall pay \$2,626 from the PacifiCorp Issue Fund to the Citizens' Utility Board of Oregon within 30 days after receipt of this Order, and the grant shall be assessed to PacifiCorp's residential customers.

Made, entered, and effective MAY 21 2008 .
