SUBJECT: OREGON PUBLIC UTILITY COMMISSION STAFF: Request to approve Negotiated Interconnection Agreements and Amendments submitted pursuant to Section 252(e) of the Telecommunications Act of 1996.

STAFF RECOMMENDATION:

Staff recommends the Commission approve the agreements and the amendment to the previously negotiated interconnection agreement listed below.

DISCUSSION:

Section 252(e) of the Telecommunications Act of 1996 (Act) requires that any negotiated interconnection agreement, including amendments to an existing agreement, be submitted to a state commission for approval. Under the Act, the Commission must approve or reject such agreements within 90 days of filing. The Commission may reject an agreement only if it finds that:

- (i) the agreement, or portion thereof, discriminates against a telecommunications carrier not a party to the agreement; or
- (ii) the implementation of such agreement, or portion thereof, is not consistent with the public interest, convenience, and necessity. See Section 252(e)(2).

An interconnection agreement or amendment thereto has no effect or force until approved by a state commission. See 47 U.S.C. Sections 252 (a) and (e). Accordingly, the effective date of any submitted agreement or amendment will be the date the

Commission signs an order approving it, and any provision stating that the parties' agreement is effective prior to that date is not enforceable.

Staff has reviewed the following agreements and amendment submitted for Commission approval:

Docket	Parties to the Amendment or Agreement
ARB 626(2)	Quality Telephone, Inc. and Qwest Corporation
ARB 832	Bandwidth.com, LLC and Qwest Corporation
ARB 837	Access Point, Inc. and Qwest Corporation

Staff recommends approval of the agreements and amendment. Staff finds that the agreements and amendment do not discriminate against non-party telecommunications carriers and do not appear to be inconsistent with the public interest, convenience, and necessity. Accordingly, Staff concludes that there is no basis under the Act to reject the agreements or the amendment.

PROPOSED COMMISSION MOTION:

The agreements and the amendment to the previously negotiated interconnection agreement listed above be approved.
