ORDER

DISPOSITION: CANCELLATION ORDER RESCINDED

On December 11, 2007, the Commission granted a certificate of authority to Broadview Networks Inc. (Broadview) to provide telecommunications service in Oregon as a competitive provider. See Order No. 07-548. Oregon telecommunications providers are required to pay annual revenue fees to the Commission. After investigation, the Commission found that Broadview failed to pay the revenue fees as required in ORS 756.310. On April 14, 2008, the Commission notified the certificate holder that the required fees were not received. At the May 6, 2008, public meeting, the Commission determined that Broadview’s certificate of authority should be canceled. Broadview’s certificate of authority was canceled in Order No. 08-286.

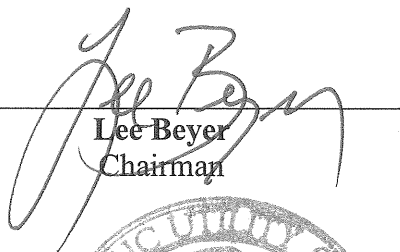

On May 30, 2008, Broadview filed a request to suspend Order No. 08-286, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Broadview paid the requested fees.

The fees sent by Broadview to the Commission were late. However, the fees have been received and indicate Broadview is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Broadview’s certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 08-286 canceling the certificate of authority of Broadview Network Inc., is rescinded.

Made, entered, and effective JUN 30 2008.
