**DISPOSITION: APPLICATION GRANTED**

NOTE: By issuing this order, the Commission makes no endorsement regarding Applicant's rates or service.

**INTRODUCTION**

On June 7, 2004, the Commission certified Coral Power, L.L.C. (Coral) as an electricity service supplier (ESS or ES). See, Order 04-310. On June 9, 2008, Shell Energy North America, (US) L.P. (Shell Energy North America) filed a material change form with the Commission asking that it be granted scheduling ESS certification. This change was requested due to Coral Power, L.L.C.'s merger with its parent, Shell Energy North America, which is wholly-owned by Royal Dutch Shell plc.

The Commission usually serves notice of an application by electronic mail to the Commission's ES application electronic mail list. As Coral was previously certified, we waived our usual notice procedures.

Based on the application and the Commission's records, the Commission makes the following:
