**DISPOSITION: PROPOSED BUDGET FOR ISSUE FUND  
GRANT APPROVED**

On May 27, 2008 , the League of Oregon Cities (LOC) filed an Application for Case Certification pursuant to OAR 860-012-0100(4) and section 5.3 of the First Amended and Restated Intervenor Funding Agreement (IFA), approved by the Commission in Order No. 07-564. No one objected to the application, and on June 17, 2008, in Order No. 08-328, the Commission granted the LOC's Case Certification application. On May 29, 2008, the LOC filed a proposed budget for an Issue Fund Grant in this proceeding. LOC seeks an Issue Fund Grant in the amount of \$39,720. In Order No. 08-328, parties were given through June 27, 2008, to comment on the LOC's proposed budget. No parties commented.

The IFA provides that qualified intervenors must submit a proposed issue fund budget to the Commission that contains, at a minimum, the following information:

- 1) A statement of the work to be performed;
- 2) A description of the areas to be investigated;
- 3) A description of the particular customer class(es) that will benefit from the intervenor's participation;
- 4) Identification of the specific fund accounts from which the intervenor is seeking monies and an estimate of the amount of available funds in that account;
- 5) A budget showing estimated attorney, consultant and expert witness fees, which may include the cost for appropriate support staff and operations support; and
- 6) A representation that the intervenor will use matching funds in the form of either in-house resources or outside funding to account for or pay at least 20 percent of the eligible expenses for which the intervenor is seeking an Issue Fund Grant.

Once a proposed budget is received, we decide whether an Issue Fund Grant is available for use based on factors identified in the agreement. We have the authority to accept, deny or partially deny the request, and may place reasonable conditions on the grant. The proposed budget of the LOC includes the requisite information and reflects the current schedule adopted in this docket. As previously noted in the Commission's intervenor funding orders issued in this docket, available funding in Portland General Electric Company's Issue Fund is limited. Intervenors eligible for such funding should plan accordingly.

In light of the issues being addressed, the complexity of the issues and the significant policy decisions to be made, we believe that the proposed budget of the LOC is reasonable and should be approved.

- 1. The League of Oregon Cities' proposed budget for an Issue Fund Grant is approved.
- 2. An Issue Fund Grant is approved up to \$39,720.
