DISPOSITION: PETITION WITHDRAWN; DOCKET CLOSED

On April 17, 2008, Idaho Power Company (Idaho Power or Company) filed its Petition for a Partial Waiver of Competitive Bidding Guidelines (Petition) with the Public Utility Commission of Oregon (Commission). Idaho Power's purpose in asking for the waiver was to comply with the Commission's Competitive Bidding Guideline No. 2 adopted in Order No. 06-446. The Company had hoped to solicit recommendations for changes to the Request for Proposal (RFP) process and to utilize the Petition to clarify that Idaho Power was cognizant of the Commission's Competitive Bidding Guidelines in structuring its RFP process.

Based on events subsequent to its filing, Idaho Power now believes that most of the benefits it had hoped to receive from the Petition process will not be realized. Therefore, the Company believes that the Petition has essentially become moot.

On August 26, 2008, IDAHO POWER notified the Commission that it was withdrawing its filing and requests that Docket UM 1378 be closed.
