**DISPOSITION: ORDER NO. 08-548 SUPPLEMENTED AND  
CORRECTED, NUNC PRO TUNC**

On November 14, 2008, the Public Utility Commission of Oregon (Commission) issued Order No. 08-548 in this proceeding. In that order, the Commission identified costs that PacifiCorp, dba Pacific Power (Pacific Power), was authorized to recover in its Renewable Adjustment Clause – Schedule 202.

In Order No. 08-548, the Commission failed to address certain procedural aspects necessary to fully resolve Pacific Power’s filing. Accordingly, the necessary ordering paragraphs are added to page 24 of Order No. 08-548 as expressed below.

In the instant Order, the Commission also corrects an error in the Conclusions of Law in Order No. 08-548. Although the language in both the body of the order and in the findings of fact clearly expresses this Commission’s views on the merits of the issues, an error appears in Conclusion of Law no. 2. It reads as follows: “Pacific Power provided that it was prudent when it developed the Glen Rock and Rolling Hills projects.” That language misstates the holding of this Commission. The correct conclusion is: “Pacific Power proved that it was prudent when it developed the Glenrock and Seven Mile Hill projects.” The Order should be modified to substitute the corrected language.

**ORDER**

IT IS ORDERED that:

- A. Order No, 08-548 is modified, nunc pro tunc, to incorporate the corrected language of Conclusion of Law no. 2, to read:

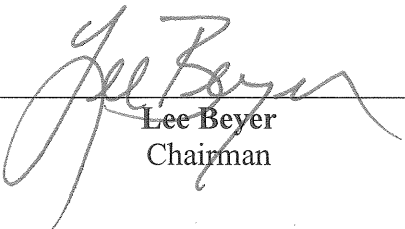

“2. Pacific Power proved that it was prudent when it developed the Glenrock and Seven Mile Hill projects.”

B. The following paragraphs are added to page 24 of Order No. 08-548:

- “3. Advice No. 08-007, filed by PacifiCorp, dba Pacific Power, is permanently suspended; and
- 4. PacifiCorp, dba Pacific Power, may file, by December 1, 2008, a revised Schedule 202, to be effective January 1, 2009, consistent with the Findings of Fact and Conclusions of Law in this Order.”

C. The remainder of Order 08-548 is unchanged.

Made, entered, and effective NOV 25 2008.
