In the Matter of the

PACIFICORP

Request for a General Rate Revision.

ORDER

**DISPOSITION: ISSUE FUND GRANT REQUEST APPROVED**

On October 21, 2009, the Klamath Water Users Association (KWUA) filed a Request for Final Payment of its PacifiCorp, dba Pacific Power (Pacific Power) Issue Fund Grant with the Public Utility Commission of Oregon (Commission). Section 7.3 of the First Amended and Restated Intervenor Funding Agreement (Agreement), adopted by the Commission in Order No. 07-564, governs the procedures for payment of Issue Fund Grants. KWUA was case-certified to receive Issue Fund Grants on May 14, 2009, in Order No. 09-173. The Commission approved an issue fund budget of \$26,870 for KWUA in Order No. 09-227.

KWUA asks for a final payment of \$6,636.40 from the Pacific Power Issue Fund. Under the Agreement, the Request for Payment must:

- 1) Itemize the expenses, payees and hourly rates of amount to be reimbursed;
- 2) Demonstrate that the expenses are reasonable and are directly attributable to issues and positions pursued on behalf of a particular customer class and consistent with the intervenor's proposed budget;
- 3) Provide information sufficient to show that the intervenor has complied with any conditions imposed on the Issue Fund Grant; and
- 4) Specify whether the request for payment is for a progress payment or a final payment and indicate whether any approved budget amount may be released back to the applicable Issue Fund.

Further, under the terms of the Agreement, KWUA must establish that it has "used in-house resources or outside funding for at least 20% of the Eligible Expenses for an Eligible Proceeding." Agreement at 15. KWUA provided the required documentation in its request.

The Agreement provides that the Commission shall make a determination in each proceeding as to how the participating utilities are to recover the funding grants from the various customer classes. Pursuant to Section 7.7(b), Issue Fund Grants should be allocated so as to fairly align the costs of the advocacy with the intended potential beneficiaries of the advocacy. Agreement at 23. We have considered the intended beneficiaries, and find that the issue fund expenditures should be allocated to Pacific Power's irrigation customers.

We find that KWUA has met the requirements of the Agreement, and its request should be approved. Section 7.8 of the Agreement provides that the utility shall pay the Issue Fund Grant to the requesting intervenor within 30 days after receipt of Commission directive.

**ORDER**

IT IS ORDERED that:

- 1. The Klamath Water Users Association has met the requirements of the First Amended and Restated Intervenor Funding Agreement, and its request is approved.
- 2. PacifiCorp, dba Pacific Power shall pay \$6,636.40 from the Pacific Power Issue Fund to the Klamath Water Users Association within 30 days after receipt of this Order, and the grant shall be assessed to Pacific Power's irrigation customers.

Made, entered, and effective OCT 28 2009.
