CLARIFYING ORDER

DISPOSITION: ORDER NO. 15-060 CLARIFIED

On February 24, 2015, we entered Order No. 15-060 that addressed a stipulation that was filed among certain parties. Footnote 6 of Order No. 15-060 indicated:

Two other parties intervened in this proceeding: Portland General Electric Company and Compete Coalition. Neither took a position on the stipulation.

Compete Coalition requests amendment of this footnote, asserting that its petition to intervene also included comments in support of the stipulation.

On June 17, 2014, Compete Coalition filed a document titled, "Petition to Intervene and Comments in Support of Stipulation of the Compete Coalition." The petition to intervene was granted by ruling dated, June 30, 2014. The ruling did not address the comments, as no motion had been made for their consideration. At this time, we acknowledge the comments in support of the stipulation and amend Footnote 6 of Order No. 15-060, as follows:

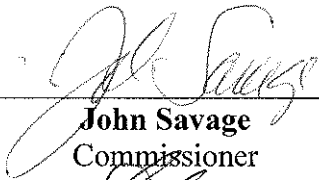

Two other parties intervened in this proceeding: (1) Portland General Electric Company, which took no position on the stipulation; and (2) Compete Coalition, whose petition to intervene included comments in support of the stipulation.

The rest of the order remains unchanged.

Made, entered, and effective MAR 10 2015.
