IDAHO POWER COMPANY.

ORDER

DISPOSITION: MOTION GRANTED; COMPLAINT DISMISSED

On May 18, 2015, Gardner Capitol Solar Development, LLC filed a complaint against Idaho Power Company regarding qualifying facilities contracts. On June 8, 2015, Idaho Power filed its answer to the complaint. A prehearing conference was held on August 21, 2015. On September 25, 2015, the parties filed a joint request to suspend the procedural schedule, stating the parties were close to reaching a settlement of all issues.

In support of the request, the parties state that they have negotiated a settlement under which Idaho Power will purchase the generation output from Gardner Capital Solar's projects under mutually agreeable terms.

We find that good cause has been shown to grant the request.
