INC. (An Oregon corporation),

Defendant.

ORDER

**DISPOSITION: STIPULATION ADOPTED**

On March 16, 2016, the Public Utility Commission of Oregon filed a complaint against defendant. The complaint charged defendant with one violation of law, OAR 952-001-0050, and requested a penalty of \$1,000. On March 16, 2016, a copy of the complaint was served.

On March 28, 2016, the parties in these proceedings entered into a stipulation, which is attached as Appendix A.

Under the terms of the stipulation, defendant admits committing the alleged violation and agrees that the Commission may enter an order assessing civil monetary penalties. Defendant also agrees to complete, with 45 days following the entry of a final order, a training session with the Oregon Utility Notification Center Speakers Bureau on Oregon excavation laws.

The parties further agree that the penalties should be suspended, unless defendant fails to comply with any provision of the stipulation or violates any rule adopted by the Oregon Utility Notification Center under ORS 757.552 for a period of one year following the date of the Commission's final order in these proceedings.

The stipulation is adopted. From the foregoing, it is concluded that no hearing is required. Under the terms of the stipulation, the allegations of the complaint are true, and defendant has violated Oregon Administrative Rule as alleged. Under the provisions of ORS 757.993, penalties should be assessed against defendant under the terms and conditions of the stipulation.
