PUBLIC UTILITY COMMISSION OF  
OREGON,

Complainant,

vs.

CENTURYLINK COMMUNICATIONS,  
LLC,

Defendant.

ORDER

DISPOSITION: ORDER NO. 16-478 RESCINDED; STIPULATION  
ADOPTED

In this order, we adopt the stipulation between Staff and CenturyLink Communications, LLC (CenturyLink), and rescind Order No. 16-478 finding CenturyLink in default on a complaint due to its failure to previously accept the stipulation in a timely manner.

**I. BACKGROUND**

On August 17, 2016, representatives of CenturyLink and the Oregon Utility Notification Center (OUNC) Enforcement Committee met to discuss an alleged violation of OAR 952-001-0070 for failing to notify the OUNC about a proposed excavation prior to excavating. An agreement was reached at the meeting, and on October 7, 2016, the Commission filed a complaint and provided a stipulation that documented the agreement. CenturyLink was asked to sign and return the stipulation, and was notified that failure to do so, or to otherwise answer or appear within 20 days of service, would be deemed a default. After CenturyLink failed to answer or appear within that designated period, we entered Order 16-478 on December 12, 2016, finding CenturyLink in default, and assessing a penalty higher than the amount agreed to in the stipulation.

**II. APPLICATION TO RECONSIDER OR MODIFY  
ORDER NO. 16-478 AND STIPULATION**

On February 10, 2017, CenturyLink made a filing that asks the Commission to reconsider or modify Order No. 16-478 to accept the stipulation. CenturyLink states that due to circumstances beyond the company's control, the stipulation was not timely accepted and

returned. CenturyLink attaches the now executed stipulation. In the stipulation, CenturyLink admits that the alleged violation was committed; and both parties agree the Commission may enter an order assessing the full amount of the applicable civil penalties (\$5000), instituting a one-year period of probation with suspension of a portion of the civil penalties (\$4,000), and full waiver of this portion of the penalties if no further violations occur during the probationary period. CenturyLink represents that Staff agrees that it is appropriate and consistent with the public interest for the Commission to accept the stipulation at this time.

On February 24, 2017, Staff filed a response supporting the application. Staff notes that the stipulation is in the public interest because it better assures future compliance with the applicable statutes and rules due to the one-year period of probation. Staff recommends that the Commission rescind Order No. 16-478, and adopt the executed stipulation.

### III. DISCUSSION

Order No. 16-478 is rescinded, and the stipulation is adopted. Under the terms of the stipulation, the allegations of the complaint are true, and defendant has violated the Oregon Administrative Rules as alleged. Pursuant to the provisions of ORS 757.993, penalties should be assessed against defendant under the terms and conditions of the stipulation.

### IV. ORDER

IT IS ORDERED that:

1. Order No. 16-478 is rescinded.
2. The stipulation, attached as Appendix A, is adopted.
3. Civil monetary penalties are assessed in the amount of \$5,000 against CenturyLink Communications, LLC.
4. Defendant shall pay the sum of \$1,000, due and payable within 30 days from the date of service of this order. Payment shall be by money order made out to the **Public Utility Commission of Oregon**, and the memo line of the money order shall state the "NC" docket number in the caption of this order. The Commission acknowledges receipt of the amount of \$1,000 on February 16, 2017.
5. Payment of the balance of the penalties (\$4,000) will be suspended and will be waived and no further penalties will be imposed unless defendant fails to comply with all of the terms of the stipulation and all of the rules adopted by the Oregon Utility Notification Center under ORS 757.552 for a one year period following the entry of this order.

6. If complainant contends that defendant has not complied with all of the terms of this stipulation and all OUNC rules for the one-year period, complainant may reopen this proceeding and petition for imposition of all or a portion of the suspended penalties. Defendant is entitled to be notified of the basis for noncompliance and a hearing.

Made, entered, and effective MAR 21 2017.
