ENTERED Apr 19 2019

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

LC 69

In the Matter of

CASCADE NATURAL GAS  
CORPORATION,

2018 Integrated Resource Plan.

ORDER

**DISPOSITION: ISSUE FUND GRANT REQUEST APPROVED**

On April 17, 2019, the Oregon Citizens' Utility Board filed a Request for Payment of its Cascade Natural Gas Corporation Issue Fund Grant. The procedures for payment of Issue Fund Grants are governed by Section 7.3 of the Fourth Amended and Restated Intervenor Funding Agreement (Agreement), adopted by the Commission in Order No. 18-017. CUB is automatically precertified to receive Issue Fund Grants under OAR 860-001-0120(3)(a) and under Section 5.2(a) of the Agreement.

CUB asks for a final payment of \$3,762 from the Cascade Natural Gas Issue Fund and states that the remaining balance of the approved budget may be released back to the Cascade Natural Gas Issue Fund. Under the Agreement, the Request for Payment must:

1. Itemize the expenses, payees and hourly rates of amount to be reimbursed;
2. Demonstrate that the expenses are reasonable and are directly attributable to issues and positions pursued on behalf of a particular customer class and consistent with the intervenor's proposed budget;
3. Provide information sufficient to show that the intervenor has complied with any conditions imposed on the Issue Fund Grant; and
4. Specify whether the request for payment is for a progress payment or a final payment and indicate whether any approved budget amount may be released back to the applicable Issue Fund.

Further, under the terms of the Agreement, CUB must establish that it has used in-house resources or outside funding for at least 20 percent of the Eligible Expenses for an Eligible Proceeding. Agreement at 20. CUB provided the required documentation in its request.

The Agreement provides that the Commission determine in each proceeding how the participating utilities are to recover the funding grants from the various customer classes. Under Section 7.7(b), Issue Fund Grants should be allocated to align the costs of the advocacy with the intended potential beneficiaries of the advocacy. The Commission considered the intended beneficiaries, and finds that the issue fund expenditures should be allocated to the residential customers of Cascade Natural Gas.

The Commission finds that CUB's request meets the requirements of the Agreement, and its request should be approved. Section 7.8 of the Agreement provides that the utility must pay the Issue Fund Grant to the requesting intervenor within 30 days after receipt of Commission directive. The balance of the approved budget should be made available to the Cascade Natural Gas Issue Fund.

**ORDER**

IT IS ORDERED that:

1. The Oregon Citizens' Utility Board's request meets the requirements of the Fourth Amended and Restated Intervenor Funding Agreement, and its request is approved.
2. Cascade Natural Gas Corporation pay \$3,762 from the Cascade Natural Gas Issue Fund to the Oregon Citizens' Utility Board within 30 days after receipt of this order, and the grant be assessed to the residential customers of Cascade Natural Gas.
